Advertising
With
Halfmoon Little League

Halfmoon Little League would like to offer your business a great advertising opportunity. Outdoor signage is a great way to reach potential customers. Outdoor signage with Halfmoon Little League is even better. All little league games in Halfmoon Twp. are held at the municipal park. Families of the 110 Halfmoon players as well as those of other teams from Port Matilda, Milesburg, Warrior's Mark, and Julian will see your ad. Unlike a billboard which is seen for just a few seconds, your sign will be seen at our games and practices for hours at a time.

You will also be a supporter of Little League. Funds that are raised by your advertising support go towards equipment and field improvements as well as uniforms and other expenses for this great youth activity. The many participants and spectators of Halfmoon Little League will recognize you as a conscientious supporter of youth sports.

Signs will be 40" x 48" vinyl banners (safe for little league) attached to our outfield fence. You have a choice of background colors (red, white, blue, or yellow), and your logo and content may be as you see fit with lettering up to three colors. (Halfmoon Little League will not allow any messages or promotions that are inappropriate for minors, such as tobacco or alcohol.) We do recommend you keep the information basic so it can be read from the bleacher areas. Signs will be displayed from early April to mid June.

Sponsorship options are as follows:

Rookie Of the Year Package	One year commitment	\$250
All Star Package	Three year commitment	\$200/yr billed annually
MVP Package	Three year commitment	\$540 paid up front (10% discount)

Contact me soon at 692-7057 to take advantage of this great offer, and always feel welcome to join us at the ball field!

Jeannette Rizzuto

*Halfmoon Little League reserves the right to reject advertising messages that contain improper, immoral, or offensive language or images. Furthermore we may reject advertisers with messages that are not in keeping with the values of Little League Baseball. Examples of advertisements that will not be approved are: tobacco, alcohol, gentlemen's clubs, and hate groups.

**Signs will be the property of Little League and will be covered by Little League for liability risk. However, Halfmoon Township and Halfmoon Little League are not responsible for damage to the signs.
